

NEWSLETTER

Welcome to our SPRING Newsletter

Trimech is your local authorised dealer for :

Unfortunately COVID-19 has reared up again within our communicates and greater NSW.

As we are an essential business, we would like to remind our Customer that we remain open for all their heating / cooling / refrigeration needs. This includes service, breakdown and installation.

All our Trimech staff follow the NSW Health order and recommendations to ensure everyone including our Customers are kept safe at this time.

Trimech

Glenn Payne, our Service Manager in Young recently attended the Seeley Convention at Hamilton Island.

During the presentation, Trimech were honoured to receive the

DEALER OF THE YEAR

CUSTOMER SERVICE Award

Congratulations to all our Staff that made this award possible. At Trimech, we pride ourselves on our outstanding Customer Service.

Trimech staff recently attended Goulburn for their half yearly conference. Thank you to Goulburn Workers Club for hosting us.

NEWSLETTER

Trimech are proud to be involved in the Margaret House project which will see a new split system unit purchased and installed in the purpose built women's refuge house in Young NSW.

Are you ready for the warmer weather ?

Why is it important to service your Air Conditioner once a year?

- * Check and clean the components to ensure efficient operation and ensure maximum performance
- * Clean filters to ensure the best and optimal air flow
- * Identify and repair any areas which may cause problems
- * Avoid costly repairs

Phone our freecall number

1300 366 173

And arrange for your unit to be serviced

Ready for summer

NEWSLETTER

WHY IS TRIMECH DIFFERENT ?

Did you know Trimech is the only dealer in the area to be awarded "CLIMATE MASTER OF SEELEY"

WHAT DOES THIS MEAN ?

We are your only AUTHORISED dealer to access the full range of Seeley's 7 star efficiency range including:

Breezair XTR Series,
Breezair EXTRAORDINAIRE Series

Plus

Unsurpassed professionalism and expertise

You get a comprehensive assessment of your heating / cooling needs and a solution that is exactly right for you, backed up with a product recommendation.

This is followed by a detailed written solution and quote, so you have all the information you need to guarantee that you and your family are superbly comfortable, all year round.

Slim concealed ceiling unit
Ducted - VRV indoor unit

Concealed floor standing unit
VRV indoor unit

FXNQ-P

Blends unobtrusively with any interior décor

The concealed floor units cover a wide range of capacities and can be installed discreetly in order to maintain the fluent lines of the room.

The Daikin VRV indoor unit range is one of the widest on the market, offering no less than 26 stylish and elegant models in 116 different variants – all designed to maximise comfort, minimise operating noise and simplify installation and servicing.

Designed to fit rooms of any size and shape, Daikin indoor units are also user friendly, ultra reliable, easy to control and quiet in operation.

All indoors units comply with the Ecodesign legislation by adopting DC fans in all indoor units, improving their energy efficiency.

Features and benefits:

- > Its low height enables the unit to fit perfectly beneath a window
- > Blends unobtrusively with any interior décor: only the suction and discharge grilles are visible
- > Requires very little installation space
- > The connecting port faces downward, eliminating the need to attach auxiliary piping
